If you think that holiday parks are solely for families you may be surprised. With outstanding self-catering accommodation, great locations and a wide range of activities and facilities, they appeal to couples, grandparents and parents of school age and pre-school children too – so why not treat those closest to you with a brilliant break away?

Most holiday parks have a great range of activities on offer, from indoor and outdoor pools to sports such as football, basketball and golf. Please note that the use of pools is included with the purchase of an Entertainment Pass and some activities may incur an extra charge at park.

Add an Entertainment Pass to your break and enjoy early evening bingo plus shows from famous singers, local bands and the parks' own talented teams. For the children, most parks have play clubs and early evening discos that they will love.

Now you can bring your dog with you too! Simply choose the 'dog-friendly' accommodation when booking online. Please check our Ts & Cs for full details.
